JUNE NEWSLETTER

OUR MISSION

Our mission here at Waminda is to support and enrich the lives of those living with disability. Everything we do, we do to provide and exceptional participant experience. We are committed to creating an environment of respect, inclusion, and empowerment. We value diversity and promote equal opportunities for all participants to engage in their communities, build relationships, develop skills, and pursue their goals with confidence.

CHELSEY WOLFE

consistently demonstrates a strong work ethic, excellent attention to detail, and a positive attitude. She is dedicated to achieving the best outcomes for her participants, with strong organisational, time management, and documentation skills.

LAST MONTH AT WAMINDA

During the month of May, participants enjoyed learning about 'SPACE'! Waminda participants had the opportunity to explore a variety of scientific exhibitions and historical fossil displays, expanding their knowledge through both community-based experiences and centre activities. Participants also thoroughly enjoyed attending the Singing in the Rain musical performance presented by Dalby State High School.

MEET KISHARRA, OUR QUALITY COORDINATOR

Hi, I'm Kisharra, your Quality Coordinator and have been quietly creating our new suite of policies the last few weeks. I bring an impressive breadth of knowledge to my role, holding a Certificate II in Auslan, a Certificate III in Allied Health Assistance, and a Diploma in Quality Management — alongside around 30 university courses spanning a wide range of scientific disciplines. Before joining the team, I served as QLD Quality Coordinator for a multinational Disability Service Provider, working across Queensland, New South Wales, and Victoria as part of a dedicated team.

Outside of work, I'm a proud mum to a lively two-year-old and I like horror movies

GUESS WHO ?

DID YOU KNOW...

The largest living structure: The Great Barrier Reef is so massive it can be seen from space.

The universe has a color: If you were to average out the color of all the light in the universe, it would be a beige tone officially named "Cosmic latte."

Scotland's national animal: It is the mythical unicorn.
